

## Worksheet 1.4 - Cells

➤ Give a name to both cells shown:

- Fill in the table below: names and functions (in your own words) of the organelles.
- Place the right letter from B-Question 4 in the last column.
- Colour the organelles GREEN (in the table below) that only occur in plants.

Nr.	Name	Function	A-G
1			
2			
4			
4			
5			
6			
7
